AMERICAN ASSOCIATION

OF

UNIVERSITY WOMEN

The purpose of this organization is the uniting of the alumnae of different institutions for practical educational work, for the collection and publication of statistical and other information concerning education, and in general for the maintenance of high standards of education.

Branch requirements for membership are determined by National AAUW. Our membership chairman, Mrs. A. J. Johannson (2-2618), will be very glad to explain these requirements to anyone interested in becoming a member of AAUW.

All study groups are open to any woman interested in the programs of study offered. Anyone not eligible to be a member of AAUW is also welcome to join the groups.
