Mail Tribune / Jim Craven

Rosa Sandoval, 8, of Medford, tries to make a decision about her new school clothes during Mervyn's 11th annual ChildSpree on Saturday. The program aims to provide kids in need with clothes and shoes for school. The Mervyn's at Rogue Valley Mall in Medford hosted 300 kids, each shopping for \$100 in free merchandise priced at a 10 percent discount. Joining in the effort were the Jackson County Human Services Consortium, Soroptimist International, Beta Sigma Phi, Zonta International, American Association of University Women, Providence Health System, local churches, businesses and individuals.
