Progressive Dinner To Precede AAUW Meeting

A progressive dinner will precede the October meeting of the Medford branch of American Association of University Women. Members will meet Wednesday, October 4, at 6:30 p.m. for the salad course at the home of Mrs. John Stong, 2120 Woodlawn drive. The main course will be served at several homes to groups of eight, and for dessert all will reconvene at the home of Mrs. Ray L. Casterline, 45 South Modoc avenue where the regular business meeting will follow.

Reservations are necessary and must be made by Tuesday noon, October 3. To make reservations call either Mrs. Jack W. Love, general chairman for the dinner, at TAlbot 6-4551 or Mrs. Erling H. Loveness at SPring 2-5090.

Final plans for the dinner were discussed at a board meeting Thursday at the home of Mrs. Thomas Upton, 2503 Hillcrest road. Mrs. Ralph Wiese served as co-hostess.

Workshop Plans

At the meeting Mrs. W. F. Roemer, president, announced plans for a workshop sponsored by the Oregon state division of AAUW which will be held in Grants Pass Friday, October 6. "What is the Human Experience in Creativity" is the theme of the participation session to be conducted by Miss Mary-Averett Seelye, co-ordinator of the Arts Resource center at the AAUW Headquarters in Washington, D.C. Miss Seelye helps AAUW branches and

state divisions develop study programs, studio work, and community projects in the arts.

Performing Elements

During a two hour session Miss Seelye plans to give participants the experience of working with basic performing elements for theater. The session can be considered as one way of experiencing something of what goes into any creative act, whatever the art medium. An interchange of working plans and ideas for all branches is also on the agenda.

The workshop will be held in Grants Pass at St. Luke's church, 4th and D streets. Registration is at 9 a.m. with the meeting from 9:45 a.m. to 4 p.m. Anyone interested in attending should contact Mrs. Roemer for further details.
