OREGON

AMERICAN ASSOCIATION

of

UNIVERSITY WOMEN

The purpose of this organization is the uniting of the alumnae of different institutions for practical educational work, for the collection and publication of statistical and other information concerning education, and in general for the maintenance of high standards of education.

Branch requirements for membership are determined by National AAUW. Our membership Chairman, Mrs. Con Wood (2-8594) will be very glad to explain these requirements to anyone interested in becoming a member of AAUW.

All study groups are open to any woman interested in the programs of study offered. Members of these groups are not required to be a member of the American Association of University Women.
