FELLOWSHIP LUNCHEON: (Speaker). If at all possible, an AAUW Fellowship or International Grant holder should be engaged. If this is not possible, a foreign woman student studying at one of the nearby colleges should be secured as the speaker. (Reservations): Individual members who cancel a luncheon or dinner reservation after the reservations are closed are responsible for paying for the cost, if the organization is held responsible for these cancelled reservations.

FINANCIAL CONTRIBUTIONS TO LOCAL ORGANIZATIONS: It shall be the policy of our branch to generally refrain as a group from contribution to a project of any other organization. Requests of exceptional educational value may be brought to the attention of the board on an individual basis for consideration. The board in turn will bring any positive recommendations to the general meeting for action.

MEMBERSHIP RESPONSIBILITIES: All members are asked to participate in AAUW activities, including the membership tea, the money making projects and hostessing for general meetings. If for any reason a member is unable to serve when her name appears on a committee, such a member will provide her own replacement.

STUDY GROUP MEMBERSHIP: It is an Association policy nationally that anyone holding a degree from an AAUW approved college or university must affiliate with the local branch in order to take part in the study group program. Study groups are 'open' to noneligible women on a participation basis. A fee of \$3.00 will be charged. This one fee applies for all interest or study groups.

TRANSFER MEMBERS: If a transfer member has paid dues to the branch from which she transferred, she shall not be required to pay additional Association dues for the current fiscal year.

AMERICAN ASSOCIATION

OF

UNIVERSITY WOMEN

The purpose of AAUW is to enable college women to continue their own intellectual growth, further the advancement of women, and discharge their responsibility to society.

All women who hold baccalaureate or higher degrees from colleges and universities on the AAUW qualified list, or a degree from a foreign institution recognized by the International Federation of University Women, may join the Association. Institutions recognized by AAUW number over 900.

All study groups are open to any women interested in the programs of study offered.
