## Medford Branch Carries Out Mission Goals:

AAUW promotes equity for all women and girls, life-long education and positive societal change. The Medford Branch accomplishes these through the following means:

**Local Scholarships:** The Medford Branch of AAUW has raised funds to assist Women in Jackson County further their college level work. In the early days, most of the funds assisted nursing students, now, a broad range of majors are funded. Students from Southern Oregon U. and Rogue Community College are eligible to apply. A committee of seven members reviews the applications to select worthy winners. Returning, older students, heads of household and mothers have benefited from these scholarships. This way to assist local students is in addition to Educational Foundation contributions. In 2000 it is possible to make a tax deductible contribution to this effort. Contact branch officers to learn the procedure.

**Legal Advocacy Fund** The AAUW Legal Advocacy Fund (LAF) works to end sex discrimination in higher education by providing moral and financial support for women filing discrimination lawsuits (to date, more than \$600,000). It actively promotes equal opportunities for women in higher education by providing legal information to women through its network of volunteer attorneys and social scientists who consult with them on legal strategy and the strength of their cases.

In the last 20 years, LAF has supported 58 sex discrimination cases on college campuses across the country. Its precedent-setting lawsuits have involved athletics, violence, and tenure. AAUW members and supporters contribute money, time and expertise to strengthen LAF's efforts to end sex discrimination in higher education.

**The Educational Foundation** is the heart of AAUW. Each year the Foundation awards over two million dollars in fellowships and grants.

The Medford Branch is working to complete the Peggyann Hutchinson International Fellowship Endowment. When it reaches \$100,000 the interest will provide a stipend for a worthy International Fellow. International Fellows return home and make an impact in their society.

Proceeds from the Children's Festival food booth are used as the Branch's annual contribution to EF. Along with members' generous contributions, the endowment should be completed in about eight years at the present rate. Donations of \$25 or more may be designated as a tribute or memorial to a friend or loved one. Members who donate \$100 become Century Club members and are honored at the annual EF luncheon and at the State Convention.

**Lifelong Learning:** Membership in AAUW enables women to continue their intellectual growth. General meeting programs emphasize issues and activities that need to be updated and/or explained, resulting in lifelong learning.

Changing circumstances, rapidly developing situations and improved knowledge are often a part of general meetings. Examples include explanation of ballot measures, new school emphases, changes in social security and other issues that require the attention of members in order to promote gender equity and social justice for women and girls. International affairs, book discussions and language study are also available in small group settings.

## AAUW POLICIES

1. **Board Members** - Board Members are expected to attend all branch and board meetings. Members who wish to propose a new item of business or deliver a report which may evoke considerable discussion are to give notice to the president in order to prepare it for the agenda.
2. **Bylaws and Policies** - It is the responsibility of the president and recording secretary to be thoroughly familiar with the branch bylaws and policies and to have them available for reference at every branch and board meeting.
3. **Change of address, phone or name** - This is to be reported to the membership chair. The membership chair will then notify the association, division, branch treasurer, and newsletter editor.
4. **Community Activities** - It is our policy to help in any way we can with cultural or civic projects.
5. **State Convention:** Expenses will be apportioned as to number of delegates and amount budgeted for that year for State Convention.  
  
**Association Convention:** One member may apply for reimbursement of the registration fee. Funds will be budgeted with one-half of the registration fee from last convention from each year to accumulate for the one "Bi-annual Award." If no one attends, the funds will revert to the general fund. Preference is given in the following order: 1) Current president; 2) Branch board members; 3) Other active and interested members. Members receiving this award are expected to report pertinent information to the branch.
6. **Courtesy** - The corresponding secretary will send get well, sympathy, or congratulatory cards to members whenever appropriate. Plants, flowers, or other gifts are to be excluded.
7. **Donations** - No AAUW funds over \$50.00 will be expended without a 2/3 majority vote of membership at regular meetings of the Branch. Individual membership or participation may be considered.
8. **Dues** - Deadline for paying dues to the treasurer shall be July 1.
