**Lifelong Learning:** Membership in AAUW enables women to continue their intellectual growth. General meeting programs emphasize issues and activities that need to be updated and/or explained, resulting in lifelong learning.

Changing circumstances, rapidly developing situations and improved knowledge are often a part of general meetings. Examples include explanation of ballot measures, new school emphases, changes in social security and other issues that require the attention of members in order to promote gender equity and social justice for women and girls. International affairs, book discussions and language study are also available in small group settings.

**Promoting Positive Societal Change:** AAUW Community Team (ACT) seeks to address the AAUW mission of "Promoting Positive Societal Change" through short-term activities in cooperation with community and government organizations. They will offer help to projects under the sponsorship of these organizations but won't take on solo money-raising projects.

Besides many of the projects mentioned below, in the past they have helped pass the library bond measure, worked for juvenile justice bond, assisted with Asset Building Training, assisted West Medford Integration site, and assisted at the Department of Human Resources Program called Childspree.

20. **Receipts** - AAUW Medford Branch members who receive cash for any AAUW purpose will issue a receipt and keep a copy of the receipt in a receipt book provided by the financial officer. These receipt books will be turned in for audit at the same time as the treasurer's books are audited.

## MEDFORD BRANCH CARRIES OUT MISSION GOALS:

AAUW promotes equity for all women and girls, life-long education and positive societal change. The Medford Branch accomplishes these through the following means:

**Local Scholarships:** The Medford Branch of AAUW has raised funds to assist Women in Jackson County further their college level work. In the early days, most of the funds assisted nursing students; now, a broad range of majors is funded. Students from Southern Oregon University and Rogue Community College are eligible to apply. A committee of seven members reviews the applications to select worthy winners. Returning, older students, heads of household and mothers have benefited from these scholarships. This way to assist local students is in addition to Educational Foundation contributions. It is possible to make a tax-deductible contribution to this effort. Contact Branch officers to learn the procedure.

**Legal Advocacy Fund:** The AAUW Legal Advocacy Fund (LAF) works to end sex discrimination in higher education by providing moral and financial support for women filing discrimination lawsuits (to date, more than \$600,000). It actively promotes equal opportunities for women in higher education by providing legal information to women through its network of volunteer attorneys and social scientists who consult with them on legal strategy and the strength of their cases.

In the last 20 years, LAF has supported 58 sex discrimination cases on college campuses across the country. Its precedent-setting lawsuits have involved athletics, violence, and tenure. AAUW members and supporters contribute money, time and expertise to strengthen LAF's efforts to end sex discrimination in higher education.

**The Educational Foundation** is the heart of AAUW. Each year the Foundation awards over 3.5 million dollars in fellowships and grants.

The Medford Branch is working to complete the Peggyann Hutchinson International Fellowship Endowment. When it reaches \$100,000, the interest will provide a stipend for a worthy International Fellow. International Fellows return home and make an impact in their society.

Proceeds from the Children's Festival food booth are used as the Branch's annual contribution to EF. Along with members' generous contributions, the endowment should be completed in about three years at the present rate. Donations of \$25 or more may be designated as a tribute or memorial to a friend or loved one. Members who donate \$100 become Century Club members and are honored at the annual EF luncheon and at the State Convention.

**Membership Eligibility:** - As amended by the delegates to the 2005 Convention, the AAUW Bylaws now admit to membership a graduate holding an associate or equivalent degree from a qualified educational institution. The Bylaws define qualified institutions as educational institutions that offer recognized associate, baccalaureate, or higher degrees and that have full regional or appropriate professional association approval.

The equivalent of an associate degree is an academic degree or diploma awarded by a qualified institution such as a business college or a hospital, which may not be called associate degree but has the same academic requirements or greater. A qualified institution is one that has full regional or appropriate professional association approval. Examples of an equivalent degree are two- or three-year RN diplomas, usually based in a hospital or a community college, and business college/school associate degrees (usually an AAS in business-related fields). A certificate awarded by a business college normally does not qualify. For example, many business colleges offer either an associate degree (usually an AAS but some, AA d degrees) or a certificate in the same field (common examples are accounting and marketing). However, the course requirement for a certificate is not equal in academic credits to those required for the associate degree, and it is not the equivalent to two years of courses or the common 60 hours as the two-year standard. Furthermore, a certificate is not generally accepted by four-year colleges as equivalent to an associate degree for the purpose of transfer. Therefore, equivalent applies to the RN diploma and to associate degrees awarded by business colleges/schools. The latter are still going to be called associate degrees.

16. **Political Concerns** - Discussion of legislative concerns pertinent to AAUW's purpose and program is to be encouraged. Political speeches of a partisan nature or endorsing particular candidates will not be permitted at branch meetings or through the newsletter.
17. **President's Gift** - The 1<sup>st</sup> V.P. and Treasurer shall be in charge of the selection of the President's gift up to the amount budgeted. This gift shall represent the appreciation of the entire membership and shall be presented by the 1<sup>st</sup> Vice President at the General Meeting in June.
18. **Revisions** - These policies may be revised by Majority vote at any branch meeting.
19. **Use of Name** - The policies and program of the Association on matters of national scope shall be binding on all members and branches and no members or branch shall use the name of the Association to oppose such policies or program. Established channels may be used to change a policy or program. The freedom of speech of the individual member to speak his or her personal opinion in her own name is not abridged. Violation of the use of the Association's name shall result in:
  - A. A member's suspension for one year or expulsion from membership, or
  - B. Loss of recognition of a branch.
