Refusal to admit an eligible individual to branch membership shall result in loss of recognition of a branch.

**Branches:** All branches within the state shall be members of this state.

**Branch Members:** A branch member is one who maintains AAUW membership through a branch.

**Associate Members:** An associate member is one who was admitted prior to July 1, 1957, upon completion of at least two years of nonprofessional work as would have been credited toward an approved degree in any college or university on the Association membership list at that time. Associate members are members of a branch and the state only, and may not serve as a state officer, or as branch officers fulfilling the functions of president, membership, program or finance.

**Members-at-Large:** A member-at-large of the Association residing within the state may become a member-at-large of the state upon payment of state dues. That member shall be entitled to vote and to serve on state committees, the state leadership team and the state board of directors.

**College/University Members:** A college or university within the state which is a college/university member of the Association shall also be a college/university member of the state and shall be entitled to representation at all state meetings.

**Life Members:**

**Paid Life Members:** Any member of the Association may become a life member of the Association upon a one-time payment of twenty (20) years' dues, based on the amount of Association dues the year that member elects to become a life member. Thereafter the life member shall be exempt from payment of Association dues. A paid life member who is a member of a branch continues to pay annual state dues.

**Fifty-Year Honor:** Any branch member who has paid Association dues for fifty (50) years shall become an honorary life member and shall thereafter be exempt from payment of Association and State dues.

**Student Affiliates:** An undergraduate student enrolled in a regionally accredited education institution shall be eligible for student affiliation. Student affiliates shall be entitled to attend Branch, State and Association meetings and receive the publication distributed to all members of the Association. Affiliates may not vote nor hold office. Fees for student affiliates shall be established by the Association Board of Directors. State fees shall be established by the State Leadership Team.

16. **Political Concerns:** Discussion of legislative concerns pertinent to AAUW's purpose and program is to be encouraged. Political speeches of a partisan nature or endorsing particular candidates will not be permitted at branch meetings or through the newsletter.

17. **President's Gift:** The 1<sup>st</sup> V.P. and Treasurer shall be in charge of the selection of the President's gift up to the amount budgeted. This gift shall represent the appreciation of the entire membership and shall be presented by the 1<sup>st</sup> Vice President at the General Meeting in June.
18. **Revisions:** These policies may be revised by majority vote at any branch meeting.
19. **Use of Name:** The policies and program of the Association on matters of national scope shall be binding on all members and branches and no members or branch shall use the name of the Association to oppose such policies or program. Established channels may be used to change a policy or program. The freedom of speech of the individual member to speak his or her personal opinion in his or her own name is not abridged. Violation of the use of the Association's name shall result in:  
 A. A member's suspension for one year or expulsion from membership, or  
 B. Loss of recognition of a branch.
20. **Receipts:** AAUW Medford Branch members who receive cash for any AAUW purpose will issue a receipt and keep a copy of the receipt in a receipt book provided by the financial officer. These receipt books will be turned in for audit at the same time as the treasurer's books are audited.

## MEDFORD BRANCH CARRIES OUT MISSION GOALS

AAUW promotes equity for all women and girls, life-long education and positive societal change. The Medford Branch accomplishes these through the following means:

**Local Scholarships:** The Medford Branch of AAUW has raised funds to assist women in Jackson County to further their college level work. In the early days, most of the funds assisted nursing students; now, a broad range of majors is funded. Students from Southern Oregon University and Rogue Community College are eligible to apply. A committee of seven members reviews the applications to select worthy winners. Returning, older students, heads of household and mothers have benefited from these scholarships. This way to assist local students is in addition to Educational Foundation contributions. It is possible to make a tax-deductible contribution to this effort. Contact branch officers to learn the procedure.

**Legal Advocacy Fund:** The AAUW Legal Advocacy Fund (LAF) works to end sex discrimination in higher education by providing moral and financial support for women filing discrimination lawsuits (to date, more than \$600,000). It actively promotes equal opportunities for women in higher education by providing legal information to women through its network of volunteer attorneys and social scientists who consult with them on legal strategy and the strength of their cases.

In the last 20 years, LAF has supported 58 sex discrimination cases on college campuses across the country. Its precedent-setting lawsuits have involved athletics, violence, and tenure. AAUW members and supporters contribute money, time and expertise to strengthen LAF's efforts to end sex discrimination in higher education.

The Educational Foundation is the heart of AAUW. Each year the Foundation awards over 3.5 million dollars in fellowships and grants.

The Medford Branch has established and is continuing to support the Peggyann Hutchinson International Fellowship Endowment. The interest will provide a stipend for a worthy International Fellow who then returns home to make a positive impact on her society.

The branch also supports the Kenneth McGraw Memorial Fund which will be established this year. Interest from this fund will provide Grants and Project Awards to U.S. citizens.

Part of the proceeds from the Children's Festival and members' contributions comprise the Branch's annual total given to EF. Donations of \$25 or more may be designated as a tribute or memorial to a friend or loved one. Members who donate \$100 become Century Club members and are honored at the annual Scholarship/EF Luncheon and at the State Convention.

Lifelong Learning: Membership in AAUW enables women to continue their intellectual growth. General meeting programs emphasize issues and activities that need to be updated and/or explained, resulting in lifelong learning.

Changing circumstances, rapidly developing situations and improved knowledge are often a part of general meetings. Examples include explanation of ballot measures, new school emphases, changes in social security and other issues that require the attention of members in order to promote gender equity and social justice for women and girls. International affairs, book discussions and language study are also available in small group settings.

Promoting Positive Societal Change: AAUW Community Team (ACT) seeks to address the AAUW mission of "Promoting Positive Societal Change" through short-term activities in cooperation with community and government organizations. They will offer help to projects under the sponsorship of these organizations but won't take on solo money-raising projects.

Besides many of the projects mentioned below, in the past they have helped to pass the library bond measure, worked for juvenile justice bond, assisted with Asset Building training, assisted West Medford Integration site, and assisted at the Department of Human Resources Program called KidSpree.
