MEDFORD BRANCH MISSION ACTIVITIES

AAUW advances equity for women and girls through advocacy, education and research. The Medford Branch promotes the AAUW mission through the following projects.

Local Scholarships: The Branch raises funds to assist women in Jackson County to further their education at Rogue Community College and Southern Oregon University. In earlier years most of the funds assisted nursing students; now a broad range of majors are supported. A scholarship selection committee reviews applications to select worthy recipients. Returning, older students, heads of households and mothers have benefited from these scholarships.

Legal Advocacy Fund: The AAUW Legal Advocacy Fund (LAF) provides funding and a support system for individuals seeking judicial redress for sex discrimination. In the past years the primary focus has been on women working in higher education, who file discrimination lawsuits. Starting in 2008-2009 the focus of LAF will expand beyond academia to the needs of women regardless of their workplace. LAF will seek cases that address significant, deserving issues that have precedent-setting potential to make a difference for all women, to make all workplaces free of sex discrimination.

Education Foundation: At the national level, the AAUW Education Foundation (EF) has been a core program of AAUW. Each year the Foundation awards over \$3.5 million dollars in graduate fellowships and grants to women. The Medford Branch established and continues to support the Peggyann Hutchinson International Fellowship Endowment. This Endowment provides a stipend for an International Fellow, who then returns home to make a positive impact on her society.

The Branch also supports the Kenneth McGraw Memorial Fund, which was established to provide grants and project awards to U.S. citizens.

Part of the proceeds from the Children's Festival food booth and member contributions comprise the Branch's annual giving to EF. Funds may be designated to a particular fellowship or fund, such as the Hutchinson or McGraw funds, or any of the many named funds under EF. Donations of \$25 or more may be designated as tributes or memorials to friends and loved ones. Members who donate \$100 become Century Club members and are honored at the annual Scholarship/EF Luncheon and at the state convention.

Advancing Equity for Women and Girls: Membership in AAUW offers opportunities to learn about the issues and hot topics that affect equity for women and girls. Programs at monthly branch meetings emphasize issues and topics tied to the AAUW mission and vision. This translates to programs that inform and educate on subjects that impact the lives of women and girls. Examples include explanation of ballot measures, new school emphases, changes in social security, local community issues and other topics on educational and economic barriers for women.

The Branch is now an active partner with Rogue Community College (RCC) for mission-related projects. Last year the Branch assisted RCC with two special programs to educate high school girls and young women on challenges and strategies to achieve

financial equity in the future. The Branch also supports the RCC student mentor program. AAUW strives to be a visible leader in advancing equity for women and girls, with informed and knowledgeable members.

In addition to the activities mentioned above, the Medford Branch has maintained an active presence in the community over the years. The Branch helped pass the library bond measure, worked for juvenile justice bonds, assisted with *Asset Building* training and assisted the *West Medford Integration Site*.
