### Featured Program: COLLEGE DREAMS

Kim DeSimone and Jenifer Perry, presenters

This innovative program for students provides positive opportunities and helps them create a path that fits their dreams for their future. College Dreams offers academic encouragement & support, along with paid work experience and innovative community connections that help to make a “college dream” come true for many young people.

### Short Program: GRANDMAS-2-GO

Linda Otto presenter

Grandmas2Go<sup>®</sup> connects ‘women of wisdom and experience’ to become volunteer family coaches to support struggling families to help their children thrive.

*“There is a saying that one caring, competent adult can change a child’s life. I have seen lives turned around, children rescued from abuse and neglect, and mothers and fathers becoming the loving and caring parents their children need and deserve. If one person can change the life of a child, think what a team of Grandmas can do!”* — **Linda Otto, Founder, Grandmas2Go**
