I also want to thank every person who has helped this past year as an Elected Officer, an Appointed Officer and every Committee Person. You know who you are, and for those who do not know - check out the list on page 10 of this Musings. Each one of these Wonderful Women is helping all of us, and I am deeply appreciative. (Next year, President, VP Finance and VP Programs will be up for election. See page 10 for current officers.)

I also want to draw your attention to the **National AAUW Voting Period.** Every member has received a Voting ID and link (emailed last month) to vote for the Board of Directors and for Bylaws' changes to simplify the Nomination and Ballot processes. The voting ends on Monday, May 16th, at 5 pm, Eastern Time It only takes a few minutes, and voting gives you an opportunity to learn about the folks who are leading our AAUW at the National level.

In addition, our Annual Oregon Business Meeting and Awards Ceremony were both held by Zoom on April 9th. Both meetings were outstanding and lucky us! In case you missed it - the meetings can be viewed in their entirety by going to the Oregon AAUW website and clicking on "You Tube" (on the right side of the Home Page)! Isn't technology wonderful? Oh - you don't want to check it out? Then, please turn to page 4 where our amazing AAUW Funds Chairperson, Mary Wright Gillespie, has written a report for you to read the news! Thank you, Mary.

Now for some very happy news: Our General Meeting on Thursday, June 2nd, is IN-PERSON at RoxyAnn Winery! All the information is in this Musings. It will be wonderful to enjoy your company! I am looking forward to seeing you, and if you cannot come - please feel free to contact me anytime that you have a question or comment. I am glad to be of service to our AAUW members, and thank you for the opportunity to help.

AVAUW GENERAL MEETINGS VIA ZOOM

SATURDAY, MAY 7th

10:00 am (tune in early for a social at 9:30)

Join us for our final program of the 2021-2022 year.

Dr Anna Sloan will present "Remarkable Women in Southern Oregon History".

Women have long been making history in Southern Oregon. This presentation will highlight the stories of just a few of the extraordinary women who have made their mark on our region over the past 150 years, including Sybil Harber, Marian Towne, Ann Haseltine Hill, Grace Fountain, Virginia Card, Fredericka Wetterer, and the women of the Hanley family.

Dr. Anna Sloan received her PhD in Anthropology from the University of Oregon in 2021. Her anthropological research has focused on intersections of gender, social identity, and heritage in pre-contact Alaska Native communities, an interest that she now brings to her work as Assistant Curator at the Southern Oregon Historical Society and as a Research Assistant at the Southern Oregon University Laboratory of Anthropology. Anna grew up on the East Coast, but has spent the past decade living in Oregon and learning more about its distinctive histories. She lives in Ashland with her family.

Southern Oregon Kidspree

WILL have a modified event at the time school starts in late August or early September. Efforts in 2021 were very successful. In fact, more children were served, delivering a total of 274 filled backpacks to 26 Title I schools in Jackson County. 205 of those children were able to go to JC Penney and shop with their own parents for school clothes. AAUW continues to support this important project. Contact Ellen Jones for information about volunteering and/or donating.

The Phantom Tea Party

by Pat Stoddard & Marlene Olson

The Phantom Tea Party has come to a successful completion with \$11,925 donated by Medford AAUW branch members to support our scholarship program for

women and girls in Southern Oregon. Rogue Community College received \$6,095 and Southern Oregon University \$5,830 in contributions.

We hope you enjoyed your tea and will celebrate along with us — your part in contributing to the education of women in our valley.

Scholarships.

With the successful results of this year's Phantom Tea Party, MUWCF is delighted to announce scholarship amounts for RCC and SOU. At our MUWCF meeting on Tuesday, April 26, the Board voted to increase the scholarship amount for each college student from \$2500 to \$2700. With your generous support SOU will receive two scholarships, RCC 3 scholarships (includes money rolled over from 2021), ACADEMY 3 scholarships and AWSEM 10 scholarships.

ACADEMY, a camp for academically talented students completing grades 5-8, will be scheduled this June on the SOU campus with in-person classes after two years of online and/or hybrid programs. This will be the 41st year that ACADEMY has provided this residential camp to students in the Pacific Northwest. The tuition is \$750/ student to include housing, meals, with outstanding programs and activities.

AWSEM (Advocates for Women in Science) is a one-day gathering to be held this fall for students in grades 6-8 who are interested in learning more about STEM careers. The tuition is \$45/student and all classes are on the SOU campus and presented by women in STEM careers.

Connie Lynn, the director of the Pre-College/Youth Programs at SOU, wrote to our branch, "We so much appreciate your partnership in helping students attend these enriching programs."

This could only be done by the strong support of our branch members. *THANK YOU!*

Marlene Olson, MUWCF Vice-President

Remembering Shiena Polehn

Shiena Polehn was a long time member of the Medford Branch of AAUW. She passed on April 1st at her home.

She was always a willing volunteer! She served as Public Policy Chair, Secretary to our branch and other elected and appointed positions. In the early 2000's, AAUW recognized a need to broaden its focus. Shiena was chairperson of the ground-breaking Gender Equity, Diversity & Social Justice Committee. She also coordinated many activities when we partnered with Rogue Community College when they began to introduce teens to possible careers. These were just a few of her passions. Shiena was also active in Interest Groups and she loved to travel (she was a geography major).

We will remember her British accent, her positive attitude and her "can-do" spirit. A memorial service in her honor will be held on **Saturday, August 27th** at Noon at Ascension Lutheran Church, 675 Black Oak, Medford.

AAUW FUNDS

by Mary Wright Gillespie, AAUW Funds Chair

There is news to report to you from our State Convention. First, the Named Gift Honorees from the Medford branch are Carol Koszyk and Robin Smith. It is a privilege to recognize their service to all of us. This honor comes from the money that our branch gives to AAUW Funds, and the selection committee is last year's Honorees: Carol Julian and Ellen Jones. We will recognize Carol and Robin at our event on June 2 at RoxyAnn Winery.

Second, other recognitions from the Convention were that our branch was no.7 in total contributions, \$5,426 and no.8 in per capita, \$70.47. A reminder, this is for the year 2021. Sherry Schroeder was recognized as a Major Donor, and honored Linda Messal with her contribution. Nineteen of our branch are members of the Donors Club with their names listed in the program. Four of our members answered the \$140th anniversary challenge.

Claudia Gray, our state AAUW Funds chair, has issued a new challenge. In June of this year Title IX will be fifty years old, a huge anniversary! Claudia challenges us to donate at least \$50 to AAUW Funds to honor this historic anniversary. You may make out the check to AAUW Funds, for Greatest Needs 9110, and put Title IX 50 years in the memo line. Send it on to me as your AAUW Funds chair and I will mail them all to Washington, DC. Thank you for your generosity.

Announcing the Women's Leadership Conference, May 13th!

This is an in-person event for \$95 at the Ashland Hills Hotel and Conference Center from 8:30 am - 4:30 pm. Excellent speakers, lunch and snack breaks are provided. At the June 2 event we will begin to sell tickets for the fundraiser at the Camelot Theater. The show will be on Wednesday, September 28 at 7:00 pm. The ticket cost is \$30 (and \$20 will benefit AAUW Funds**). We are buying out the house at the Camelot so we hope everyone will bring their friends and family to make this a great evening.

The show is "Catch Me If you Can".

Mary Wright Gillespie, AAUW Funds chair

Remembering Bev Lieberg

Previous, long-time Medford AAUW Member, Bev Lieberg, passed on Thursday, April 7, 2022. Bev was in Hospice care at her Veranda Park home with her daughter and son near her. Bev passed two years and one day after her beloved husband, Norbert, died. Bev was mainly active in various Interest Groups when she was a member. She will be remembered for her participation in Antiques, various Book Club groups and Bridge. She had a very special Doll Collection that she displayed in her home. Bev always had a smile and a caring word for you. Bev will be remembered fondly by her friends.

Happy Birthday!

New Members!!

My name is **Sandi Cameron** and am happy to share that I am a returning AAUW member. Originally joined in the mid 90's but could not attend the Saturday meetings as my husband worked out of town during the week and asked that I not do anything but family events on the weekends. I did co-chair the Needleworker's group with my very good friend, Pat Stoddard, for many years as we met in the evenings. We originally joined to network with women working in our community as I was working at US Cellular as a Supervisor in the Call Center in Medford. Now, that Joann Nadell has resurrected the group, Pat suggested that I reinstate my membership; and, yes am attending Needleworkers again.

Here is a little bit about me. I was born at the Huntington Memorial Hospital in Pasadena, California on August 11, 1948. I grew up in San Marino, California where I attended Valentine, Huntington, and San Marino High School. From there I attended and graduated from California State University, Los Angeles with a BA in English. So my early years were in the San Gabriel Valley in Southern California. I was very active in Job's Daughters and served as Honored Queen and many other positions in the organization. I mention this because it was fundamental in the molding of my future self, giving a basis of sisterhood and confidence, much like the community of AAUW.

While I was growing up, I studied classical piano until I graduated from High School. Sadly, I have not had a piano to play on since then. I also enjoyed playing the guitar, and singing in a chorus, church choir, and a group. So, you can say that one of my many interests is music. I still play the guitar and share that interest with my son.

After I graduated from college, I chose not to become a teacher, so had a variety of jobs or lives as I call them, that prepared me for the business that I started with my husband the year we got married. It was an eventful year, we got married, moved to South Lake Tahoe, CA, and started a business all at once. Our business, El Dorado Interiors, specialized in window coverings and wall coverings. We choose to move to Tahoe as my husband graduated from High school at Whittell in Zephyr Cove, Nevada. At the beginning I sewed all the custom draperies with industrial machines. As the business grew, my workroom was closed and we used a workroom in Placerville, CA. I provided full scale design from working off plans to covering one window or wall. So you could say that design is in my blood and is another one of my many interests.

While in South Lake Tahoe, we started our family. My son Dan and my daughter Christine were born there. Like all good Moms that lived in Tahoe, I volunteered in the classroom one hour a week for each child. I will never forget my first hour in my daughter's kindergarten class. I dressed in my nice work clothes and asked the teacher, so what are we doing? Because of my business, she said she wanted to do an art project, finger painting with chocolate pudding. Surprisingly I continued to volunteer every week helping the teachers with art and craft projects. One of the projects was a pillow quilt where each student drew something on white fabric and set it with heat. I sewed the pillows, let them stuff them and sewed all the pillows together. That teacher forever remembered that third grade class.

I really haven't met a craft I have not tried. However, knitting is one of my favorites as it is so relaxing for me. It is like having a glass of wine without the calories. Also, I crochet, tat, stamp cards, weave and machine knit. I love learning new techniques and stitches but am considered an advanced knitter even though I did not take up knitting until the age of 40.

As an English major, I love to read. My favorite genre is mysteries and thrillers, but also have true crime and biographical stories on my reading lists. So, reading is another one of my interests.

We moved to Medford from South Lake Tahoe in 1994 after we sold our business. You ask why Medford?

My mother-in-law lived in Medford and worked very hard to convince us to move here. She would take me to Mimi's Yarn store every time we would visit to entice me to move here. We basically did not have a job or business, just packed up and moved.

At first I did not work, but then for something to do worked on commission for Medford Interiors. We did not have any medical insurance as my husband was self employed, so that is why I went to work at the Call center for U S Cellular. My kids were active in sports and we needed that security of medical insurance going forward.

All of my children live here in Medford. My daughter teaches honors pre Calculus at South Medford High School. She is married and has two children who are active in school and sports. My son recently moved back to Medford, works for a restoration company and has two children. His children still reside in Texas, but will be visiting us this summer. So, sports activities are on my agenda for my grandchildren. Sadly, very recently my husband and I divorced after 40 years of marriage, so I have lots of free time now to join activities, volunteer, and make new friends.
